Info

Re Cuba Moroccan Amb expressed to Asst. Sec. Williams his personal sympathy for trial U.S. undergoing, said he strongly urging his govt align its position with ours in this matter.

Stressing his motive preventive, Williams said U.S. most anxious avoid air supply, using Moroccan airspace or facilities, of war equipment, particularly nuclear warheads for Cuba.

Ambassador, declaring his certainty his govt. would never such supply, undertook to alert it to U.S. concern possibility moves.

END.
